

C Projects topics for presentations

Project ID	Project Title	Problem Statement	Key C Concepts
CP-01	Student Result Management System	Manage student records, marks, grades, and reports.	Arrays, Structures, File Handling
CP-02	Library Management System	Maintain book inventory, issue and return books, and search records.	Structures, Functions, Files
CP-03	Employee Payroll System	Calculate salaries, deductions, bonuses, and generate payslips.	Arrays, Functions, Structures
CP-04	Hospital Patient Management System	Register patients, assign doctors, and maintain treatment records.	Structures, File Handling
CP-05	Hotel Room Booking System	Book rooms, manage check-in/check-out, and calculate bills.	Arrays, Structures
CP-06	Banking Management System	Create accounts, deposit, withdraw, transfer money, and display balances.	File Handling, Functions
CP-07	Bus Reservation System	Reserve seats, cancel bookings, and generate reservation reports.	Arrays, Structures
CP-08	Railway Ticket Reservation System	Book, cancel, and search train reservations.	Arrays, Functions, Files
CP-09	Movie Ticket Booking System	Reserve seats, generate tickets, and manage bookings.	Arrays, Loops
CP-10	Restaurant Billing System	Generate food bills, calculate GST, and print invoices.	Arrays, Functions
CP-11	Supermarket Billing System	Manage products, calculate bills, and generate invoices.	Structures, Arrays

CP-12	Grocery Inventory Management	Maintain stock levels and generate inventory reports.	Arrays, File Handling
CP-13	Inventory Management System	Add, update, delete, and search inventory items.	Structures, Files
CP-14	Vehicle Rental Management	Rent vehicles, calculate charges, and maintain customer records.	Structures, Functions
CP-15	Car Parking Management System	Allocate parking slots and calculate parking charges.	Arrays, Loops
CP-16	Hostel Management System	Manage hostel rooms, student allocation, and fees.	Structures, File Handling
CP-17	Attendance Management System	Record daily attendance and generate attendance reports.	Arrays, Files
CP-18	Examination Registration System	Register students for exams and generate hall tickets.	Structures, Functions
CP-19	Course Registration System	Enroll students in courses and generate enrollment reports.	Arrays, Structures
CP-20	Fee Management System	Maintain fee records and generate payment receipts.	File Handling
CP-21	Electricity Bill Generator	Calculate electricity bills based on slab rates.	Conditional Statements, Functions
CP-22	Water Bill Management System	Generate water consumption bills using tariff slabs.	Functions, Arrays
CP-23	Mobile Recharge Management	Store recharge plans and generate customer bills.	Arrays, Structures
CP-24	ATM Simulation System	Simulate ATM operations like withdrawal, deposit, and balance inquiry.	Functions, File Handling

CP-25	Digital Wallet System	Manage wallet balance and transaction history.	Structures, Files
CP-26	Quiz Management System	Conduct quizzes and calculate scores automatically.	Arrays, Functions
CP-27	Online Examination Simulator	Display questions, evaluate answers, and generate scores.	Arrays, Loops
CP-28	Voting Management System	Record votes and generate election results.	Arrays, File Handling
CP-29	Event Registration System	Register participants and generate attendance lists.	Structures, Files
CP-30	Sports Tournament Management	Register teams, schedule matches, and display results.	Arrays, Functions
CP-31	Cricket Score Management	Record player scores and generate scorecards.	Structures, Arrays
CP-32	Cricket Tournament Points Table	Calculate team points and rankings.	Arrays, Sorting
CP-33	Gym Membership Management	Register members and track subscription payments.	File Handling
CP-34	Blood Bank Management System	Maintain donor and blood inventory records.	Structures, Files
CP-35	Pharmacy Management System	Manage medicines, stock, expiry dates, and billing.	Structures, File Handling
CP-36	Courier Tracking System	Track parcels and update delivery status.	Arrays, Structures
CP-37	Passport Application Management	Store applicant details and application status.	Structures, Functions

CP-38	Complaint Management System	Register complaints and update resolution status.	Arrays, File Handling
CP-39	Lost and Found Management	Maintain records of lost and recovered items.	Structures, Files
CP-40	Cinema Hall Seat Reservation	Allocate seats and display seat availability.	Arrays, Loops
